Our Message

Introduction

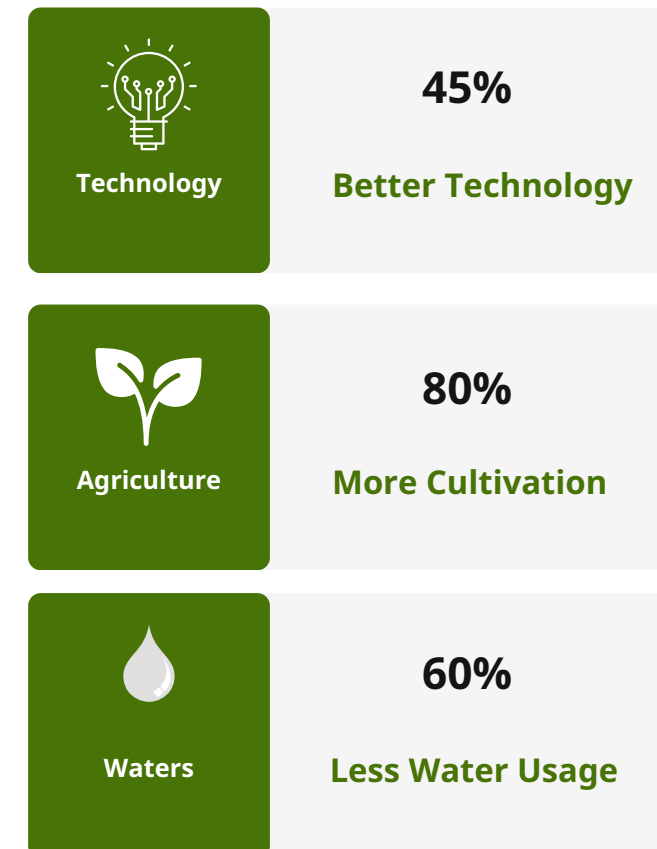

At UAPCO, we are redefining the possibilities of farming. Through our unwavering commitment to excellence, sustainability and innovation, we have established ourselves as a prominent force in the agricultural landscape in Kuwait. With an extensive portfolio that includes dates, livestock, honey, forage, plants and more, we cater to local needs and international demand. As the largest agricultural entity in Kuwait, UAPCO is not just a name; It is a symbol of quality, integrity and growth. Join us on a journey where nature's bounty meets cutting-edge practice, as we plant the seeds for a greener, more sustainable future.

About Us

Who Are We

United Agricultural & Livestock Production (K.S.C.C) was established in 1976 and is located in the Sulaibiya farms area, ideally close to several large livestock farms, which are major consumers of feed. It is also close to the main feed market in Kuwait.

Vision & Mission

Overall Goals

Value

Excellence, Sustainability,
Innovation, Quality,
Community, Integrity,
Customer Focus.

Vision

To be a leading force in agricultural innovation, setting new standards in sustainable practices, and serving as a cornerstone of Kuwait's food security and overall development.

Mission

UAPCO is dedicated to cultivating and providing superior quality agricultural products that enrich lives, enhance well-being and contribute significantly to the local economy. With a focus on innovation, sustainability and excellence, we aim to meet the diverse needs of our community while championing responsible farming practices that nurture the environment and the trust of our customers.

Our Feature

What Sets Us Apart

01

Diverse Agricultural

UAPCO offers a comprehensive range of products, from premium dates and honey to livestock, specialty plants and more, catering to a wide range of agricultural needs.

02

Cutting-Edge Facilities

Modern greenhouses, processing centers and irrigation systems demonstrate our commitment to innovation, ensuring optimal growth and production in all of our offerings.

03

Sustainability and Quality

With a strong focus on sustainable practices, we produce high quality agricultural products that reflect our dedication to preserving the environment and delivering excellence to our customers.

04

Local and Global Impact

As the largest agricultural entity in Kuwait, UAPCO contributes significantly to local food security, leaving a positive impact on local farming communities.

Date Factory

Equipped with advanced technology and expert personnel, our date processing company ensures that each harvested date maintains its natural flavour, texture and nutritional value. From sorting and cleaning to packaging, we prioritize quality at every stage of the process.

PLANT
MAKES
YOU
HAPPY**

**Agriculture And
Industry**

Honey

Honey Extraction and Processing Unit is equipped with specialized equipment to extract pure honey from our beehives. Our commitment to ethical beekeeping practices ensures the preservation of bee colonies and the production of exceptional honey products

Forage

Our feed production unit focuses on growing nutrient-rich forage crops to support the nutritional needs of our livestock. By making use of sustainable farming methods, we produce high quality forage that contributes to animal health and more sustainable farming.

Irrigation

The Unite Center for Irrigation and Soil Improvement offers advanced solutions for efficient water management and soil enrichment. We offer a wide range of irrigation systems and slurry materials to optimize water use, improve soil quality, and enhance the vitality of our agricultural endeavors.

Plant Nursery

Our state-of-the-art plant nursery is dedicated to growing indoor and outdoor plants that add natural beauty to living and commercial spaces. With a wide variety of plants, we cater to gardening enthusiasts, interior designers, and individuals seeking to enhance their surroundings.

Moringa & Hibiscus Tea

At the heart of our thriving plantations, come healthy and delicious tea drinks, Moringa tea and Hibiscus tea. Through our state-of-the-art factories, we offer you this opportunity to enjoy the benefits of nature in the most wonderful way possible. Our Moringa and Hibiscus tea products undergo a meticulous production process that focuses on quality and potency. The ingredients are carefully selected, and the drying and manufacturing processes are carried out using the latest technology. This ensures that the high nutritional values of the natural ingredients are preserved.

Landscape Designing

We combine art and science in garden design. We use appropriate plant species and ensure careful care of plants to maintain beauty and quality at all times. By designing your gardens, we seek to create moments of beauty that tell your story. Whether you are looking for inner peace or a space to gather with friends, we offer designs that speak to your aspirations.

OUR CLIENTS

EMBRACING DIVERSITY

At UAPCO, our clients represent a rich tapestry of private sector organizations, government agencies, and discerning individuals. We take pride in serving a diverse group of clients, each with unique needs and aspirations. From the dynamic business of the private sector to the strategic requirements of government agencies, and the personal preferences of individuals, our commitment remains unwavering.

We understand the distinct requirements of each sector and design our products and services to exceed expectations. In close cooperation with private companies, we support growth by providing them with high quality agricultural resources. In parallel, our cooperation with government agencies promotes agricultural initiatives that promote regional development and sustainability. Meanwhile, we are fortunate to cater to individuals' personal tastes, providing them with access to nature's finest bounty.

UAPCO reputation as a trusted partner in various sectors is rooted in our dedication to excellence, innovation and ethical practices. We stand united with our customers, embracing diversity as we collectively contribute to the agricultural landscape in Kuwait and beyond.

Clients Review's

Feedback

"Our success in this project reflects the collaborative spirit and shared dedication between us and the UAPCO. The inspiration generated by the collaboration builds bridges for sustainable realization."

"Our cooperation with UAPCO proved that quality and dedication are the keys to success. Their involvement as partners in this project has added tangible value and contributed to achieving positive results."

"Our joint success proves the true value of collaboration and harmony between teams. This experience proves that innovative thinking and serious commitment can lead to exceptional results."
